Design Lofts

Design lofts completely renovated and redesigned by the famous architectural firm Juli Pérez-Catalán, building respecting all the old elements that give personality to the building and mixing them with modern architecture. Thanks to the high ceilings and its peculiar distribution, these loft of 61m² and 106m² provide a unique environment in which we can combine our personal and professional life. The spaces are composed of different volumes. The building has a communal terrace where you can enjoy the sun , tranquility and unobstructed views that give their ideal orientation. The price must add 21 % VAT for being a local - loft. Ideal for investors who want to return on their investment by putting it on the rental market or for someone who wants to live in a really special place.

Data: the data of each property are not part of an offer or contract. The statements made by IliveBarcelona, verbally or in writing ("information"), regarding the property, the state in which it is located or its value should not be considered exact or factual. Neither IliveBarcelona nor any other associated agent has authority to make statements about the property, and therefore, any information is free of responsibility by agents, seller (s) or lessor (s). Before signing any document related to the property, we recommend all clients to consult an independent lawyer and if necessary, do an investigation to verify the status / dimensions. 2. Photographs, etc.: the photographs only show certain parts of the property as they were at the time they were taken. The areas, dimensions and distances provided are only approximate, and must be checked by the customer. The computer generated images are only an indication of the possible appearance of the property, and can change at any time. 3. Permits: any reference to alterations or uses of any part of the property does not imply that the necessary permits for planning, planning or other types of consents have already been obtained. The buyer or lessee must ensure, through inspection or other methods, that these procedures have been carried out properly and that all information is correct. 4. VAT: The VAT position relative to the property can change without notice. 5. The information on the website regarding a property is subject to change at any time.
