## Apartment in a reformed building

Fabulous reformed apartment of 40 sqm with an excellent design. Its interior is distributed by a double bedroom, an American kitchen integrated to a living room, a bathroom and a terrace of 15 sqm.

It's a flat in the center of the city therefore its design uses the famous woden beans ceilings, brick walls that contrast with the white walls and the woden floor. It also has carpentry with double glass, modern appliances, extractor hood, electronic door and heat pump (hot and cold) with electric boiler and hot water tank with exchanger for solar energy installed.

The apartment is carefully restored by a prestigious architectural studio. The building has an elevator, a communal terrace and solar energy. It is located in the best area of ??Raval, a multicultural neighborhood surrounded by places of leisure and many restaurants. It is found a step away from the Rambla, the beach and a few meters from Plaça Catalunya.
